

The HILLS HANDBOOK

*A guide to summer for kids at
Meridian Hills Country Club*

Meridian Hills Country Club —

Since our Club began in 1923, we've been proud to be known as one of the premier family clubs in the Midwest. A big part of that identity lies in the programming we offer for our youngest members.

Inside of this booklet, you'll find everything you need for an action-packed summer at Meridian Hills. No matter your son or daughter's level of expertise in a sport or activity, we are able to provide a way for them to have fun and learn from our very own experts on staff.

Once you're set on your child's summer activities, visit meridianhillsccl.org/summer or scan the QR code to sign up!

Thank you for calling our Club home and for allowing us to create memories with your little ones. It will be a summer to remember!

Sincerely,

The Meridian Hills Team
